

VENUE: Novotel Hotel - Dubai World Trade Centre

LABORATORY DESIGN OF THE FUTURE

ARABLAB The Expo 2017

SESSION AGENDA

- 8:30 - 9:10 Introductions & Session Overview
- 9:10 - 10:00 **HEALTHY DESIGN SOLUTIONS**
This new initiative has unfolded in the past two years, similar to sustainable design 15 years ago. Ideas on how to create a healthier campus and buildings to work in to improve performance and quality of life will be discussed in detail.
- Break / Interactive Discussions & Review of Projects*
- 10:15 - 12:15 **SMART CAMPUS DESIGN**
Sharing ideas about creating smart, mobile and affordable campuses.
- Lunch / Interactive Discussions & Review of Projects*
- 1:15 - 3:00 **RESILIENCY AND TECHNOLOGY (INTERNET OF THINGS)**
Sharing ideas about creating sustainable and resilient campuses using the latest technology with the "Internet Of Things".
- Break / Interactive Discussions & Review of Projects*
- 3:00 - 3:30 **INNOVATION CENTERS**
Creating spaces, a culture and partnerships to accelerate research in a much more cost effective model. Latest on Technology to support innovation.
- 3:30 - 4:30 **LABORATORY SOLUTIONS RECENTLY DESIGNED IN THE MIDDLE EAST**
- Break / Interactive Discussions & Review of Projects*
- 7:00 **DINNER**
